Hi Jennifer. Hope you're doing well.

I'm circling back to close the loop on these questions about the VB/I-70 CAG Jen Opila sent to us a while ago, and I wanted to check in with you about the specific language in the CIP. You were going to look at it relative to her questions and then send the related communications strategy, which I'd still like to see.

As you probably have heard, the state (John Putnam) is leading a new multi-programmatic effort to engage the neighborhoods in the "industrial triangle."

Thanks,  
Steve
